Date: 26 May 2018.

Number of Participants: Up to 20 students.

Project Requirements: Students will work in their groups to help prepare for and run the Salvation Army RedSHIELD doorknock Appeal in the Tuart Hill area. In the lead up to the event students will participate in planning and preparation activities and then participate in the appeal on the day. In completing this project students will need to

1. Plan: Show evidence of your planning for this event.
2. Advocate: Develop and use a variety of resources to advocate for the Salvation Army. Examples include video’s and social media posts
3. Fundraising: Students may participate in the fundraising event itself
4. Conduct the event:
   a. In planning for and participating in the Salvation Army – RedSHIELD Appeal you must commit to at least 2 weeks of participation with a the appeal date being the primary event:
   b. Report back to the community on your participation and achievements at the event
   c. Write an article for the Iservi including photo’s / video of the event
5. Reflect: Complete the post event reflection for submission.

Additional Information: Approved participants will be given access to the Salvation Army – RedSHIELD Appeal Team. The Team Site has many additional resources for you to access and details on advocacy, fundraising and your project reflection. Once approved please visit the Team for full details.
