Date: 22 June 2018.

Number of Participants: Up to 20 per group.

Project Requirements: The Winter Sleepout aims to help students understand the impact of homelessness on people through the lived experience of an overnight sleepout at the College. Students participating in the LifeLink Winter Sleepout appeal on the 14 and 15 June 2018 will work in their group and participate in an advocacy and fundraising event to help raise awareness of the work LifeLink undertakes in Perth. In the weeks leading up to the event students will participate in a variety of planning and advocacy activities.

In completing this project students will need to

1. Plan: Show evidence of your planning for this event.
2. Advocate: Develop and use a variety of resources to advocate for LifeLink. Examples include video’s and social media posts
3. Fundraising: Students need to work towards raising $50 for this event. This will be donated to LifeLink
4. Conduct the event:
   a. Attend the event including school the day before and after
   b. Report back to the community on your participation and achievements at the event
   c. Write an article for the Iservi including photo’s / video of the event
5. Reflect: Complete the post event reflection for submission.

Additional Information: Approved participants will be given access to the LifeLink Winter Sleepout Team. The Team Site has many additional resources for you to access and details on advocacy, fundraising and your project reflection. Once approved please visit the Team for full details.
