17-24 June

Ration Challenge

PUT YOUR MONEY WHERE MY MOUTH IS!

I’m taking the Act for Peace Ration Challenge at my school and will be living on the same food rations as a Syrian refugee during Refugee Week. Just a small amount of rice, flour, lentils, chick peas, beans, fish and oil. By sponsoring me, you’ll help provide food, medicine and education for refugees, and support for other communities around the world threatened by conflict and disaster.

Sponsor me now at
