Date: The Ration Challenge will take place during Refugee Week, 18th - 22nd June 2018. This week culminates with the LifeLink Winter Sleep Out on Friday 22nd June. The duration of the CSL Project is for the time leading up to, during and following Refugee Week.

Number of Leaders: Up to 10 students.

Project Requirements: The Ration Challenge asks students to eat the same rations as a Syrian refugee during Refugee Week and get sponsored to do it. By putting themselves in the shoes of a refugee, they will:
- learn about global issues,
- develop empathy for others and
- feel empowered to make a difference in the world.

The money raised will support refugees around the world.

Many students will find this Challenge very difficult – but this is when growth and deep learning occurs. Having said that, the Challenge is not as difficult as for those living through this tragedy; eating these rations or worse all the time and trying to find refuge in a foreign country.

The CSL Project is about leading the Rations Challenge. The Rations Challenge Leaders will seek to help students learn more about refugees, the experiences of children fleeing their homes due to conflict or violence, while also seeking to give them a safe and empowering way to respond to these issues as a part of the school community, through the Ration Challenge.

“The Syrian Crisis is the greatest tragedy on this century – a disgraceful humanitarian calamity with suffering and displacement unparalleled in recent history.” Antonio Guterres: Secretary-General, United Nations.
In completing this CSL Project, students will need to “drive” the College’s involvement in the Rations Challenge. They must:

1. **Register and participate** in the Rations Challenge.
2. **Successfully solicit** at least two (2) other people to register and participate.
3. **Plan:** Show evidence of your planning for leading this event.
4. **Advocate:** Develop and use a variety of resources to advocate for Refugees and promote the Challenge by:
   - encouraging student and staff participation in the Challenge
   - writing for the iServi and Daily Notices
   - speaking at Priory and College Assemblies
   - producing a video to promote and document the College’s involvement
   - informing the College community about the life and needs of refugees internationally and nationally – powerpoints, e-posters, talks, living montages, articles etc
   - finding other ways to promote the Challenge within the College.
5. **Fundraising:** As outlined in the on-line Fundraising Page
6. **Report:** back to the community on your participation and achievements at the event by writing an article for the Iservi, including photo’s / video of the event
7. **Reflect:** Complete the post event reflection for submission.

There will be a meeting with students who have registered as a Rations Challenge Leader and then they will meet with all those students who wish to be a Rations Challenge Participant.

There are three deadlines.
1. **Before 1:15 pm Tuesday 5th June** to receive a free Rations Pack *
2. **Before 1:15 pm Thursday 7th June** to serve as a CSL Project leader.
3. **Before 1:15 pm Thursday 14th June** to participate.

* If registering after 5th June, you will need to source the food ingredients. Resources can be downloaded from the “For Students” page of the website.
