Project information

Residential aged care provides a range of care options and accommodation for older people who are unable to continue living independently in their own homes. The type of care provided ranges from personal care to assist with activities of daily living through to nursing care on a 24-hour basis.

Benefits of volunteering in an aged care facility include:
- making a positive difference to other people's lives by combating stress, loneliness and social isolation.
- having a meaningful, positive impact on your community.
- instilling a sense of achievement and purpose.
- building confidence and developing skills in communicating and relating with others.

Catholic Aged Care facilities honours the Catholic commitment to foster healing, act with compassion and promote wellness for all persons. At Catholic Homes every person is unique, every life a sacred gift and every human being a unity of body, mind and spirit.

As a provider, employer and advocate, special attention is paid to those who are disadvantaged, marginalised or vulnerable within our community. Catholic Aged Care seeks to promote and enhance the spiritual, physical and emotional journey of each person through their services. There is a commitment to build a community of care where joy, love and hospitality are evident in our attitudes and actions.

- Joy we listen and respond to what brings life, hope and meaning to others.
- Love we give the most important gifts of love and kindness to everyone.
- Hospitality we create a place where all are welcome and where people feel at home.

Students will have the opportunity to help the care providers with activities that might include:
- serving meals,
- playing games (jigsaw puzzles, cards, bingo and other board games)
- running activities (such as carpet bowls)
- holding conversations with residents
- videoing residents talk about their life
- playing music

To spend time with the residents, patiently and respectfully listening and talking with them is a precious and generous gift.

On some Mondays there will be an inter-generational Church music group, and sometimes 3 to 4 year old children attending. Our students can also engage and support their activities.
