**Reflection: St Peregrine, Patron Saint of Cancer**
As a Catholic school supporting the Cancer Council’s Relay for Life, we turn our hearts to God, and to people who have encountered God in human suffering, such as cancer.

We place our focus on St Peregrine, a Servite Father, who was afflicted with cancer of the foot. St Peregrine nearly had his foot amputated, but after spending the night praying in the hospital, before the day of the operation, he awoke the next morning finding that he was completely cured of the cancer.

Something we don’t always consider in the face of death is that death is not the end for Christians, we who believe in resurrection of the body. We also recognise that God answers prayers in different ways, and we know that not all suffering leads to miraculous healing. We must find peace in the knowledge that God’s ways are greater than our own.

As we support Relay for Life, we take the memories of those we have lost to cancer with us, those who have survived and those currently suffering.
