Project Requirements
Participate in one or more activities to support Community-based groups and organisations, such as:
- Servite College
  (eg: supporting end-of-year sports for Year 7-9)
- Parishes
  (eg: running an activity at a parish fete, supervising a creche)
- Local primary schools
  (eg: teaching coding workshops)
- Cultural groups or organisations
  (eg: running a stall at an event)
- Sports clubs
  (eg: coaching a junior team)

This Project enables a student to accumulate acts of service over a range of activities. Each activity/event must be registered with Mr Callus and on LibGuides as an Independent Project so the College is informed and insurance cover provided. If a series of events/activities (eg coaching or supporting a community activity over several weeks) is involved, students only need to register the series once.
