**Project Requirements**
Once approved, students will liaise directly with agencies to arrange their independent service learning project.

When contacting an agency, identify yourself as a Servite student and ask about the possibility of serving at their organisation. You must give agencies advanced notice of your requested service. Understand that agencies are not obliged to take you on and may decline your request for any reason.

Students are representing the College while serving at various agencies, and are required to adhere to College standards of student behaviour.
