Servite College has an honoured history and tradition that has contributed to our College identity. The College uniform exemplifies the Charisms and Values of our College and is an important part of being a Servite student. Our Uniforms give our students a sense of belonging and creates a positive identity for the school in the community.

The Servite school uniform teaches our students to dress professionally, to self-regulate and take pride in their appearance. It also provides our students with the opportunity to uphold the College reputation.

Wearing the College uniform correctly assists students to maintain a routine in preparation for the school day. The uniform enables our students to feel inclusive, connected, safe and ready for learning by reducing distraction, sharpening focus on schoolwork and making the classroom a more positive environment.

Hair

The College’s policy on hairstyles has been formulated giving due consideration to community expectations, hygiene and safety.

- Hair must be of one natural colour. Hair must not be unnaturally bleached or darkened or changed in any extreme manner including streaks or highlights.
- The addition of hair colour must be so subtle that it does not necessitate visible hair growth.
- Hairstyles are to be neat, clean and conservative in style. They must be appropriate to our College Uniform.
- Extremes of colour and style are not acceptable.
- Hair should not be inappropriately short or shaven – haircuts must be a number 2 or above.
- No lines or patterns are to be shaved into students’ hair. Students’ hair may not have extreme differences in length – such as very short back and sides and a long top as may be seen in an ‘undercut’ or ‘top knot’.
- Hair must be off the face at all times.
- Hair falling below collar length must be all one length and be tied back using bottle green, black or white ribbons, combs or bands.
- Hair products (e.g. gel, mousse) need to be used sparingly and look neat and conservative.
- Boys must be clean-shaven. Side burns are to be no further than the mid-ear.

Students who contravene these rules may be sent home to rectify the issue.

It is impossible to provide a list of every hairstyle variation that is acceptable. If in doubt, students must speak to their Head of Community BEFORE changing their hairstyle.
