How To Get The Latest Information On TAFE And Universities Now!!

All Universities and TAFE colleges are working frantically to make sure you have all the latest information available and you are able to get answers (as best they can) to all your questions. All information evenings, campus tours etc have been cancelled however each universities’ Student Services Team has developed a range of online resources from Webinars to course guides and publications. You can even book a one-on-one appointment and have a university representative speak with you via phone or video call. In addition, all the universities and TAFE colleges have very informative and easy to navigate websites. Website addresses are:
